Comments: A genuine stud sire prospect ranking at the top end for growth and carcase weight, sitting in the top 3% for 600-day weight. Vortex is a good-footed and free-moving bull, built to cover country and last.

February 2026 Hereford BREEDPLAN

Comments: A powerful sire prospect, thick-topped and square made, this bull combines muscle and capacity with natural doing ability. We think very highly of his dam, a powerful cow who continuously produces a top calf every year; his full brother was sold at Wodonga in 2024 to Glenellerslie Herefords.
